

# Business Communications Made EASY

## For AceTech Companies Only:

*Subscribe to one of our Hosted PBX, SIP Trunking or Internet Solutions for your company and receive \$500 in conferencing services.*

### About Communications

*We are a national hosted service provider delivering phone and internet services to Canadian businesses.*

*We offer easy voice and data solutions through our carrier grade infrastructure to improve your customer's experience, increase your employee's productivity, reduce your infrastructure cost, and grow with your business.*

#### What can we do for your business?

- ✓ Simplify the management of your Telecom infrastructure
- ✓ Optimize your Telecom services and reduce spend
- ✓ Increase your productivity and efficiencies
- ✓ Help you serve your customers better
- ✓ Reduce risk, increase compliance and enhance your business infrastructure

### Why Choose About Communications

*Our entire business is focused on making communications technology easier for businesses.*

*We deliver a complete portfolio of phone, internet and hosted solutions exclusively focussed on Canadian businesses.*

*We offer the convenience of one supplier, affordable pricing and a single bill.*

*We deliver high performance and reliability by managing our own private access network right to your door.*

*All of this and solutions that are monitored 24 hours a day, 7 days and backed by our personalized client care service.*

*We offer a one-stop shop for all your voice, data and hosted services needs.*
