

FOR ACETECH MEMBERS ONLY
UNLOCK NEW VALUE FROM YOUR BIG DATA

WITH DATA SCIENCE AND DATA ENGINEERING EXPERTISE

Big Data Analytics is hot – and it's not a fad! Companies using Big Data Analytics are doing better than their competitors who aren't. We can help you get started!

Our **Big Data Opportunity Assessment** service includes:

- ✓ A one-hour consultation on the big data opportunity for your business
- ✓ 8 man-days engagement of data science experts to identify your data value
- ✓ A final presentation covering the status and value of your data and possible analytics opportunities for product enhancement and/or operational improvements

For AceTech members only:

BIG DATA OPPORTUNITY ASSESSMENT SERVICE for \$5,000 (a \$12,000 value)

ABOUT APPTION

Apption has a proven track record of outstanding professional services delivery using its unique combination of big data analytics and software product creation expertise. We help organisations make sense of their data and build new data analytics offerings to enhance existing products and improve operations.

BRILLIANT ANALYTICS CAN BUILD YOUR BUSINESS.
CONTACT ALAIN CHAMSI, AT APPTION, TO FIND OUT HOW.
