

Nexonia Expenses takes care of your expense reports so that you can take care of what's really important to your business.

After a business trip, the last thing you want to do is sit down with a pile of receipts and a time-consuming expense report form. Instead, imagine finishing an expense report for a business lunch before you've even left the restaurant.

You can do this and more, with Nexonia Expenses.

Nexonia Expenses gives you:

- **Full Mobility.** The freedom to go fully mobile by submitting and reviewing expense reports using the app for iPhone, iPad, Android and BlackBerry 10 devices, and Windows Phone.
- **Streamlined Finances.** Reduce the expense report processing time drastically. Reimburse employees quicker, improving overall employee satisfaction.
- **Full Tax Configuration.** As a Canadian company, we're the best at handling all taxes including HST, GST, TVQ, VAT & more.
- **Free Training and Support.** Our product training, implementation and support teams are all local in-house & accessible by phone or email.

Exclusive Offer for AceTech Members Only: Get a preferred subscription rate of \$5 per user/month for Nexonia Expenses, or get \$10 per user/month for the entire suite of Nexonia products.
