

WHY PARTNER WITH MILLENIAL FINANCIAL GROUP/PACE CONSULTING MGA SERVICES INC?

WE WILL GIVE YOU THE SERVICE AND PROFESSIONALISM YOU HAVE EVERY RIGHT TO EXPECT.

Millennial Financial Group/PACE Consulting MGA Services Inc. focuses on consulting for employee benefit plans. Our goal is to provide solutions that ensure your benefits are aligned with your culture; delivering the benefit categories that the program is intended for.

Employee benefit programs can cost as much as one-third of your total payroll cost. Our mission is to deliver superior and knowledgeable advice in the selection and administration of employee insurance and retirement programs.

As part of the AceTech association, we will work with you diligently; taking interest in your business issues, stepping out of the traditional role of a consultant to look at the broader perspective, and playing an active role in helping you meet your objectives. With the volume of the business that we do we are able to negotiate the most competitive pricing that is available in the market place on your behalf as a corporate member of AceTech.

We focus on the big picture in taking time to understand the business implications of the advice we are giving.
